SWF / KS - U H 15 06 - 45

Series

M/C Type

Head Interval (H,K)

Y-Stroke

No. of Heads (2-8)

No. of Colors (15,12)

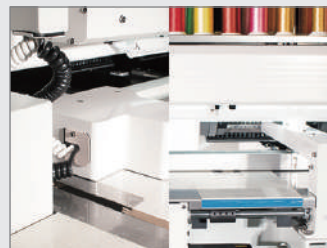

15.1 inch full touch operation panel

The full screen makes it easy for the user to scan the outputs at one view and operate the machine more effectively and conveniently

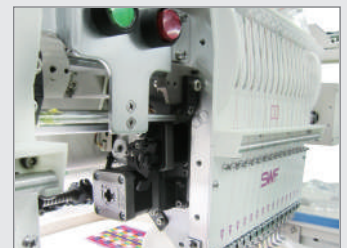

Color change box

- By applying a ball screw, the speed of color change has increased, and accurate positioning has enabled

X-Y mechanism

- By applying servo motor, The noise has reduced, and more accurate motion control has obtained

Adjustment of presser foot

- The operator can adjust the presser foot height easily through the OP box so it can cope with various materials.
(Adjustment range : 0.5~3.5mm from the needle plate)

Specifications
